Passing grades are as follows: A, 94-100; B 87-93; C, 76-86; D, 70-75; E means condition; F is failure; Inc. is incomplete.

The student who fails to pass nine hours of work may be asked to withdraw from school. We urge that parents and students cooperate with us in having students go home only once per month if they are boarding here.

We are expecting all students to work to the limit of their abilities, to play, and to develop social maturity. We are not satisfied with low grades.
